

What Your Support Does:

Your support will help the Johnson County Republican Party to build the organization necessary to elect Republicans not only here in Johnson County but at the state and national level.

The election of 2004 was only the beginning of the resurgence of your Johnson County Republican Party.

With upcoming elections in November to elect a new Governor and many state, county and local seats up for election, it is critical that our party will have the resources necessary to carry the Republican message to the voters.

I urge you to join us in defending liberty and freedom in Johnson County. Together, there is nothing we can not accomplish.
